

Dear Parents/Guardians,

Due to a paving project that will take place, we are adjusting our morning drop-off and dismissal procedures on **Tuesday, April 17th and Wednesday, April 18th**. The car rider line will be moved to the other side of the building where buses normally are parked. The buses will load and unload in the front on Gibson St. Please see map below for the new route for these two days only.

We appreciate your patience as we continue with our building and grounds improvements. We are excited to have our newly paved parking lot and car rider line soon.

Thanks,

Watt Hardison Staff
